2. The Agreement between you and us

These Booking and Payment Terms apply to your Booking.

2.1 We intend on relying on the Booking and Payment Terms. If there is anything you do not understand or do not agree with please discuss this with us before you make your Booking.

2.2 Our employees or authorised agents are not permitted to make any representations or agreements unless these are confirmed in writing. If we agree changes please ask us to confirm them in writing. We can then avoid problems over what has been agreed between us.

2.3 Nothing in these Booking and Payment Terms or the Conditions of Parking affects your statutory rights.

2.4 If you book online a binding agreement will exist between you and us when (and only when) you have submitted a completed booking form to us via our Website and we have sent our e-mail acknowledgement to you.

3. Our Booking Service

3.1 These Booking and Payment Terms set out the terms of our service allowing you to book Car Parks via our Website. We do not guarantee that this service will be available at all times, or provide access to all our Car Parks.

3.2 You agree that you will not attempt to resell any Booking, either on its own or bundled with other products or services. We also reserve the right to limit the number of Bookings per person, which we may specify from time to time on our Website.

4. Booking Period

4.1 No refund will be made if your stay is shorter than the Booking Period. If you arrive early or leave late so your Vehicle is parked in a Car Park for any time outside the Booking Period, you will be charged for that time at the rate specified on the Tariff Board and applicable to the Car Park in which you have parked. This will be the case even if your total stay is no longer than the Booking Period. Please note that the Tariff Board rate is not necessarily the same rate as your Booking Fee.

5. Booking Mobility Card Holder Spaces

5.1 Our Car Parks include accessible spaces for use by mobility card holders, but unfortunately we cannot accept bookings specifically for these spaces. If you have any particular requirements, please contact a member of staff on arrival or beforehand. There is a help button and assistance contact number at the entrance to every Car Park area.

6. Cancelling a Booking

6.1 You may cancel your Booking, for any reason, at any time up to 24 hours before the start of the Booking Period.

6.2 You can cancel through our Website by clicking on "Manage My Booking" and selecting the relevant options. You can also cancel by phone using the contact details listed below.

You will be charged in full for your Booking if you have not cancelled it earlier than 24 hours before the start of the Booking Period.

7. Prices and How to Pay

7.1 The Booking Fee that you are quoted includes GST and is fixed when you make your Booking. Pricing may vary depending on how far in advance you book your car park.

7.2 You can pay for your Booking by using any of the credit or debit cards that we accept. Details are shown on our Website. The final Booking Fee may include a fee for the use of credit or debit cards, and the fee may vary according to which card you use. We do not accept payment by cash or cheque.

7.3 When you give us your credit or debit card details and complete your Booking through our website, you are authorising us to charge your credit or debit card with the amount of the Booking Fee.

8. What to do on Arrival

Car Park

8.1 When you arrive at any of our Car Parks you will need to insert at the barrier the same credit or debit card that you used to pay for your Booking, or the credit card you nominated at the time of completing your Booking. You must do exactly the same when you leave. Please contact us (our contact details are below) if this is not possible (for example because the card that you used to make the booking has been stolen in the meantime).

8.2 If you enter the Car Park using a different payment card to the one used to make your Booking you will incur an additional charge at the Tariff Board rate upon exit.

8.3 Please ensure you follow the instructions on your Booking confirmation carefully. Your Booking is valid only for the type of Car Park specified in your Booking Details. Use of a different type of Car Park will incur an additional charge at the Tariff Board rate upon exit (and you will not be entitled to any refund or reduction of your Booking Fee).

8.4 If you enter the Car Park using a different payment card from that used to make the Booking, or if you park in a Car Park of a different type from that specified in your Booking Details, we may give a refund, but whether we do so, and in what amount, is entirely at our discretion.

8.5 If you have booked to park in Valet, please pull a ticket on entry and pass it to the Valet team when you arrive. Do not insert your credit card. They will provide you with an exit ticket when you leave.

9. Vehicles Permitted in our Car Parks

9.1 We only accept Bookings for cars and light vans. You are not entitled to a refund if your Vehicle exceeds the size limits we impose from time to time. Please contact us (our contact details are below) if you wish to check whether your Vehicle will be accepted.

10. Our Responsibility to You

10.1 Your Booking entitles you to pay only the Booking Fee for the time you are parked in the Car Park during the Booking Period. However, your Booking is not a guarantee that any Car Parks will be available or accessible during the Booking Period or at any other time.

10.2 In some circumstances we may not be able to accommodate you in the type of Car Park specified in your Booking Details. If this happens we will if possible upgrade you to a more expensive Car Park at no additional charge. If we cannot do this and you have to park in a less expensive Car Park, we will refund the difference in price to you.

10.3 On rare occasions we may not be able to accommodate you at all at the time your Booking Period begins. If this happens, we will try to let you know as soon as possible. We may be able to make alternative arrangements for you, and if we do so, this will be at our cost. In any case, to compensate you for any inconvenience we will also give you a full refund of your Booking Fee, but that will be the full extent of our liability to you.

10.4 If for any reason we are liable to you under or in connection with these Booking and Payment Terms, then to the extent permitted by law, our total liability to you will be limited to a refund of some or all of the Booking Fees paid by you. You should also read the following conditions for further examples of circumstances in which we will have no liability to you.

11. Your Responsibility for Check in Time

11.1 It is your responsibility to ensure that you leave enough time to get from your Vehicle to check-in within the time limits required by the airline. We give no guarantee as to the availability or frequency of transport between Car Parks and the terminal.

11.2 To the extent permitted by law, we will have no liability to you if you miss your flight, even if the delay is due to our action or inaction, a problem with a Car Park, traffic congestion within or near to the airport, or due to the advertised frequency of transport from the Car Park to the terminal not being maintained for any reason.

12. Comments and Complaints

12.1 Any comments relating to the booking procedure should be made in writing to us using the contact details below.

12.2 We will try and answer all complaints within 5 working days. If we cannot, we will tell you when we expect to be able to do so. If you want to make a complaint, please do so as quickly as possible as the longer you leave it the more difficult it may be for us to check what happened.
